GENERAL CHRONO

Has a Brilliant Reception at His Entrance

The Cooperator's Triumph.

New York, Oct. 11.—A special to the Herald from La Guayra, Venezuela, says: General Crespo was accorded a most enthusiastic reception upon his triumphant entry into Caracas, and the city is brilliantly illuminated in his honor, while the streets are crowded with wildly cheering multitudes. The gallant old warrior marched into the capital this morning at the head of the remainder of his army, three thousand men having taken possession of the city yesterday. As soon as Crespo had reached the congress building he summoned his chief military and political leaders about him. The results of their conference was the proclamation of Crespo as provisional president of the republic. He is to hold office only until the regularly elected congressmen have had time to meet again and proceed to the election of a constitutional successor to Ex-President Raimundo Andueza Palacio. Crespo promptly issued a proclamation naming the members of his provisional cabinet. They are as follows: Minister of foreign affairs, Pedro Escalante Rojas; minister of the interior, Leon Colina; minister of finance, Senor Piedad; minister of war, Guzman Alvarez; chief of police, General Victor Barrios; minister of justice, Leopoldo Batista; minister of public works, Munoz Tobar; minister of instruction, Silva Gaudolph; general-in-chief, Ramon Guerra; Governor of Caracas, Senor Adraza. These are all well known Venezuelans who have aided the cause of the republic by active service in the field, or by financial contributions. The rumors concerning the escape of the deposed president, Villegas Pulido and his ministers are confirmed. They managed to get on a vessel bound for Maracaibo. Another body of Crepist soldiers entered Lagayra.

MOORING FOR PARNELL.

Thousands of Pilgrims Show Gratitude for the Dead Leader in the City of Dublin.

Dublin, Oct. 11.—Parnell day was observed with universal mourning. Twelve special trains brought thousands of pilgrims from Galway and Cork to the Glasnevin cemetery. Hundreds of wreaths were hoisted on Parnell's grave. Mrs. Kitty O'Shea Parnell placed three wreaths and a great mass of cut flowers upon the grave early in the morning. The procession formed at Stephen's Green and proceeded to a spot outside the cemetery, lead by a band playing the dead march and by a memorial car guarded by six gendarmes. J. O'Kelly delivered the oration of the day. In the procession and at the meeting almost every city in Ireland was represented. Dublin was the deepest mourning. All the municipal buildings have been draped in black. Clubs, hotels and private houses with but few exceptions have shown signs of mourning. Many of them have hung out Parnell's picture framed in crape. Everybody wears the ivy.

Killed by a Motor Car.

COLUMBUS, O., Oct. 11.—Edward Tiffany was crushed under a motor car here Monday afternoon, receiving injuries from which he died a few hours. He was married and had one child.

HOMESTEAD STRIKERS

To Be Indicted for Treason Chief Justice Paxton's Charge.

Pittsburg, Oct. 11.—[Special.]—Chief Justice Paxton, of the State Supreme Court, Monday charged the grand jury in the treason cases against the Homestead strikers. The defendants, strikers and their sympathizers and attorneys of all stations crowded the big room to its uttermost corners. There was absolute silence when the chief justice began his charge. Judge Paxton announced that it was necessary that only the commonwealth be inveighed against for one to be guilty of treason, that it is proper for any corporation to bring guards from any state whatsoever and arm such guards. The construction left among the strikers was that true bills would be returned without doubt. After describing in detail the resistance of the mob to the sheriff the chief justice says: "We can have sympathy with a mob driven to desperation by hunger as in the day of the French revolution, but we can have none for men receiving exceptionally high wages in resisting law and resorting to violence and bloodshed in assertion of imaginary rights, and entailing such a vast expense upon the tax payers of the commonwealth. It was not a cry for bread that led these men to lead tips, resulting in sudden outrage, with great provocation; it was a deliberate attempt by men without authority to control others in the enjoyment of their rights."

AT ADDRESS

To Home Rules by the Irish National Federation of Massachusetts.

Boston, Oct. 11.—The organizing committee of the Irish National Federation in Massachusetts, has issued an address to the home rulers of the state in which it set forth the British and Irish policy, by a large majority at the late general election, have declared with emphatic voice at the ballot box, for complete justice to Ireland. The result shows the cause of home rule has advanced to the eve of a victory. The house of lords alone now stands between Ireland and self-government. The conflict with these hereditary legislators will be very likely, result in another general election within a short time. When the mortal material assistance of the Irish race throughout the world will be required to strengthen the hands of the Irish parliamentary party to the end that Ireland, with united voice, may accentuate her demand for home rule. The national federation of Ireland, on September 24, appealed to us to support the Irish race in their struggle for independence. To respond to this appeal in the most effective manner, organized effort is necessary. We ask, therefore, all friends of the home rule cause in Massachusetts to aid us in establishing branches of the Irish national federation in every city and town throughout the state. Immediate action is required to insure the best results.

HABER'S DISMISSAL

From the Board of Government Pensioners' Appeals.

WASHINGTON, Oct. 11.—The formal notice of his dismissal as a member of the pensioners' appeals has not been received by Mr. George W. Baber, who is alleged to have written the offensive decision which Secretary Noble took exception to. The secretary declined to discuss the subject for publication on the ground that so far as he is concerned the matter could not be termed "unlucky." He said, however, that Mr. Baber was not dismissed because of the pension opinion but for other good and sufficient reasons, which he declined to state. Until the arrival in Washington of Assistant Secretary Bussey, who Mr. Baber declared, approved the offensive decision, no new developments are likely to be brought to light.

ATTEMPTED BANK ROBBERY.

Four Burglars Enter the Bank at Noon and Shoot the Assistant Cashier.

ENR, Pa., Oct. 4.—[Special.]—A daring attempt was made to rob the Key Bank at noon between 12 and 1 o'clock Monday. Four men entered the bank and shot Frank N. Kepler, the assistant cashier. The alarm was given and the men fled without getting any money. The citizens and police started in hot pursuit and soon succeeded in capturing all four. Kepler's wound is serious. The robbery attempt on the bank has caused great excitement.

A NEGRO

INSURRECTION SUPPRESSED BY AN ARMED POSSE.

Two Colored Men Killed, Nine Captured and Several Others Mortally Wounded.

CLARKSBURG, Miss., Oct. 4.—[Special.]—A mob of about 100 armed men, who had gathered at the plantation of J. H. Wilkinson, a large planter near Bobo, to put down a reported negro insurrection. It is said that the first white killed, two negroes were killed outright, and nine captured. Several other negroes are reported to be in hiding, mortally wounded. Many negroes are still out at large. They have organized an order among themselves in this neighborhood, it is said, with the avowed purpose of killing whites.

What Harrison Says of Graham's Killing.

WASHINGTON, Oct. 4.—[Special.]—According to an intimate friend of President Harrison, the action of the Graham in shooting the negro, the Democratic ticket is no surprise at the white house, as the president has all along known that Graham differed with the party on the tariff issue.
